TIMES CHANGE ALSO PRICES.

Do you realize this. Do you know what made it. It was not the old time grocers who showed the people the value of a dollar, but new blood forced new prices to the front and showed the people where they were at.

We did not have to reduce prices to meet them they came to our price. This is our claim. We only want you to know where the credit belongs and deal accordingly

We changed with the times, not after them, and our groceries are sold for modern prices.

L. H. BELL, Grocer.
